Memorandum

To: Geographic Area Coordinating Groups, Geographic Area Training Representatives

From: Chair, Training Working Team

Subject: S-230, Single Resource Boss (Crew), Pre-Course Work (2004 version)

This memo serves as a notification that a magazine article on two pages of the S-230 pre-course work and all reference in the Instructor Guide to this article have been deleted from the course package. The article contained sensitive information and has been removed from the course.

For those who purchased the 2004 version of the S-230 course prior to July 1, 2006 please remove pages D-7 and D-8 prior to sending the pre-course work to students. Disregard the reference to the article on pages 3 and 0.8 in the Instructor Guide. An updated version of the 'CD-ROM Course Material', NFES #2812 will be available for order from the Publications Management System in August.
